A sum of money was pre- passed last summer, was read, its consented the rector, Rev. W. J. M. Beattie, tents conveying to the aldermen the by his parishioners. The attendance was impression that Mr. Smith was satisarge and comprised many grown people fied with the rates which the departas well as the children of the Sunday ment proposed to charge at that time. To a certain extent the aldermen were at sixes and sevens in the matter of pressing the charge, insumuch as Alderman Shurtleff came out strongly for Mr. Smith, declaring that property owners should be encouraged and that people who have nided in building up the city should not be subjected to excessive watlackson, wife of the late Merrill P, er rentals. Others took their cas from Jackson, who passed away at the home Mr. Shurtleff's expressed epinion, that once the water rates are fixed, there

ter of assessments. For the time-being, the discousion was found that the bill against Mr. Facts was in accordance with the agreement report was accepted, although it was intimuted that another conference with Mr. Smith might be held.

Minor Matters.

thus of the regular Scenara is to take over M. L. Alker's town effect job, on the result of a report made by the property mountaine in which Peter Periodii. a
